CONNECTING COMMUNITIES - VIRTUAL WORKSHOP

- Get to know and work together with other groups in your area
- Assist each other, work and share resources
- This event will look at community assets, supports and solutions
- It will provide groups with a toolkit to crowd source information about their locality
- Networking, idea sharing, collaboration
- Funding opportunities in your community

Let's celebrate the leadership shown in communities and help foster, resilience, re-emergence and re-engagement throughout our county.

This event is free & open to all community groups – booking essential as spaces are limited.
