# Mayo Service Area

**Door-to-Door Bus Services** – TFI Local Link Door-to-Door Bus Services are **route based services** with the added benefit, where possible of **collecting and dropping off passengers at their homes**. These services require pre-booking at least the day before travelling.

Door-to-Door Bus Services operate to a timetable that is subject to change. Timetables frequency for Door to Door Bus Services can vary from daily to once a week.

**Regular Rural Services** – TFI Local Link Regular Rural Services operate on a **fixed route between towns and villages and have a scheduled timetable**, just like any other public transport bus service. Regular Rural Bus Service timetables are designed, to maximise connectivity with Bus Éireann, commercial bus services and Iarnród Éireann networks to facilitate passengers who may need to connect to the national TFI network.

**Community Car** – TFI Local Link Community Car provides an accessible community transport service that addresses rural social exclusion.
