

## Health (physical & mental)

How can all members of our community enjoy the **best possible physical and mental health**? What about people with **special needs, older people, and carers**?

## Environment & Sustainability

How do we value our **natural environment and man-made heritage**? What can be done to conserve, protect and restore these? How can we **interact with the environment in a sustainable way**, and hand it on to the next generation in a better state?

## Economy & Resources

How can our communities **thrive economically, with good jobs, and supports for enterprise, business and for people not in work**? What resources do we have and are they used effectively without causing harm to social and environmental sustainability?

## Values, Culture & Meaning

What is needed to ensure that **everyone feels, and actually is, included and valued, and that our different values and cultures are respected** and nurtured? What are the important parts of our culture that we want to hand on to future generations?

## Social & Community Development

How can we be an **inclusive community** where we support each other and ensure no one is left out? What are the **important social services and facilities** we need to live well from childhood to old age?

## Participation, Democracy & Good Governance

What is necessary to ensure that our **local government structures support the wellbeing of our community** for this and future generations? What is necessary to ensure that we have a **voice in the decisions that affect us**, and that all voices are being heard?
