PPN funding increase in 2023

We are pleased to inform you that each PPN will receive an increase of **€10,000** to its core funding in 2023.

This will issue with the first tranche of funding in 2023.

Total funding issued by DRCD to each PPN in 2023 will therefore consist of:

- Core funding: €60,000
- Ring-fenced support worker funding: €25,700

This will issue in two tranches as follows:

- Tranche 1 (approx. April): €65,700
- Tranche 2 (October): €20,000

Local Authority funding amounts are to remain unchanged at:

- Core funding: €30,000 (minimum)
- Support worker funding: €5,000 (minimum)

The increased amount may be used at the discretion of individual PPNs, provided it is within the provisions of public spending guidelines and the PPN Financial Controls document. As the increase is to core funding, it is not ring-fenced for any specific purpose and may be used for staff salaries and/or on project costs as deemed appropriate by individual PPNs.

Any queries in relation to this the above may be addressed to ppn@drccd.gov.ie.

Yours sincerely,
